A BETTER TOMORROW**

****ATTENTION LOW TO MODERATE INCOME WORKERS****

WE ARE HIRING

Wendler Inc. has been contracted by the City of State Center, Iowa, for construction of a new packaged lift station, appurtenances, electrical and controls, and demolition and removal of the existing vault structure and removal of existing interior wet well equipment. This project is funded by CDBG and DNR/SRF funds and is subject to Section 3 provisions of the Housing and Urban Development Act of 1968. To the greatest extent feasible, the employment opportunity below will be made available to qualified individuals who permanently reside in Marshall County.

Job Title: Laborer

Department: Field Operations

Reports to: Vice President of Field Operations

Job Summary:

The Laborer will perform a wide range of physical labor tasks in support of all workers on the job site as instructed by supervisors.

Required Skills/Abilities:

- Willingness to learn and practice safe work procedures.
- Excellent interpersonal skills and ability to work in a group setting.
- Thorough understanding of or the ability to quickly learn about the project.
- Performs other related duties as assigned.
- Operation of heavy equipment
- Must have the ability to travel for work at any given time.
- Ability to listen to, understand, and follow directions.
- Ability to remain flexible as specific assignments change.
- This position is designated as a safety-sensitive role. Laborers are expected to adhere to strict safety protocols and procedures to ensure their well-being and the safety of others. This includes, but is not limited to, the responsible handling of materials and equipment, and adhering to all workplace safety guidelines and regulations.

Education and Experience:

- Basic knowledge in one of the following fields of construction: Carpentry, Excavation, Structural Concrete, Concrete Finishing, Pipe Fitting and Joining, Process Equipment installation, electrical underground conduit and duct banks.
- Prior job experience preferred.

Physical Requirements:

- Must be able to access and navigate all areas of the construction site in all types of weather.
- Must be able to lift up to 75 pounds at times and push/pull 50-pound loads at a time.
- Must have physical strength, balance, hand-eye coordination, and stamina necessary to complete jobs in various areas.
- Must be able to stand and walk at least eight hours per day and climb multiple sets of stairs while carrying materials weighing between 40 and 60 pounds.
- Must be able to work some Saturdays and at night, when needed.

Pay Rate: \$45,000.00 - \$50,000.00 Year DOE (Depends on Experience)
